## Where does my money go?

**Your donations will help Ele's Place support grieving children.**

Your support helps children throughout Mid-Michigan to cope with the death or life-threatening illness of a parent, sibling or other loved one. Before coming to Ele's Place, these children are devastated by their loss and often keep their feelings inside, not wanting to burden their grieving family or share with friends who don't understand if they haven't had a similar loss. They feel very alone until they come to Ele's Place, where approximately 250 children meet each week with new friends who really understand how they feel. In addition, almost 100 grieving children this year will connect with each other in their schools through our new *Ele's Group* school-based program. You are making it possible for Ele's Place to help all these children find hope and begin to heal.
