Your support changes lives.

Thanks to community partners like you, Ele's Place can make a true difference in the lives of grieving children and teens.

For more than a decade, we have been providing vital bereavement services to kids who have lost a parent, sibling or anyone significant in their life, right here in West Michigan. With your support, we can keep our services **100% free** to families and partner schools, and to help ensure our organization's vision that no child or teen grieves alone.

I'm excited to share our 2025, Sponsorship Opportunities Package for your consideration. If you have questions, I'd be happy to connect anytime. Nothing we do is possible without the passion and commitment of this generous community!

With Gratitude,

Tammy Campbell

“ Every time I walk through the doors of Ele's Place, I'm reminded of the hole that grief can leave in a young heart. My father died of leukemia when I was just four years old. It was a time in my life marked by memories of confusion, anger and deep sadness. Amid the darkness, Ele's Place emerged as a beacon of hope, offering my family the lifeline we needed to navigate our storm of sorrow. It was a safe haven where we could meet and connect with others who understood the profound loss we had experienced. With the support of Ele's Place, we learned to heal, find solace and reclaim our lives. ”
