No Child or Teen Should Grieve Alone

YOU Make THE Difference!

YOU fill our HEART
at the
HOLIDAYS!

THANK YOU for
HEALING HEARTS at the HOLIDAYS

YOU help heal grieving hearts in our community and YOUR gift ensures our peer grief support groups remain **FREE OF CHARGE** for as long as a family needs!

Many grieving children and teens feel alone, keep their emotions inside, and do not want to burden their family members. Often, friends do not seem to understand if they have not had a similar experience.

Ele's Place Ann Arbor provides peer grief support in a safe place where grieving children and teens share their stories and memories, explore their feelings, learn coping skills, and meet new friends who understand them. A variety of activities are used to help children and teens express their fears, anger, guilt and sadness while processing their grief. Most important, they realize they are NOT alone.

THANK YOU for thinking of Ele's Place Ann Arbor as 2021 comes to a close!

Holiday Toolkit – A Season of Family
National Alliance for Children's Grief

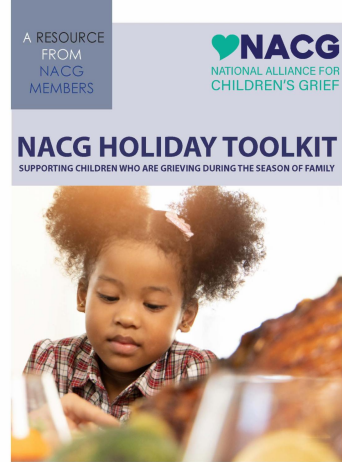

The "Season of Family" provides an opportunity to celebrate and remember those who have been important to us. During the season, we have an opportunity to decide as family units to hold on to past traditions that have been important to us, to let go of the traditions that are no longer feasible, and to create new traditions that honor the past as well as move us forward as a family.

This “Holiday Toolkit” helps support grieving children and teens during the “Season of Family”, [CLICK HERE](#) to view and/or download.

We know grief does not take time off during the holidays, however, the Ele's Place Ann Arbor building is currently closed and will reopen on Monday morning, January 3, 2022. Our Development Staff will be checking mail and voice mails.

If you are in need of assistance or have questions about **grief support for children and teens**, PLEASE leave a message at 734.929.6640, OR call back after January 3rd. Our Clinical Program Staff will return all calls during the week of January 3, 2022. For additional information, please [CLICK HERE](#) to visit the “Grief Resources” and “Grief Support” sections on our website. Thank YOU and take care.
